

3 PT Cover Crop Crimper

MANDAKO

Suppress weeds. Minimize soil erosion. Maximize water retention.

With a chevron-style blade pattern, the Mandako Cover Crop Crimper runs smoothly across the field while kicking up less dirt.

The Cover Crop Crimper can help you manage organic crops without the use of herbicides or tillage.

Utilizing 4x4x1/4" Tubing and 2.5" bearings, this unit is built to last.

— 1/4" AR400 Blades,
Boltable Replacement Set Available

— Water Fillable Drum
